

On behalf of my brother Emanuel, I will now read a dedication he wrote to his beautiful wife, Tess.

I would like thank Tess for taking me as her husband for last 25 years. I loved you and I will always love you. Thank you for giving me the pleasure and the honour of calling you My Wife.

You will always be in my heart, may God look after you as I tried to look after you in the last years of your life. God Bless. Forever Yours. Your Loving Husband,
Emanuel.
